

# It's okay to be angry

When I'm angry I can...

--	--	--	--	--

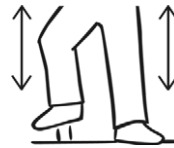

This will make me feel calm again.

Go for a walk

Scream into an angry pillow

Stomp!

Star jumps

Go for a run

Take a deep breath

Listen to a favourite song

Go to the sensory room

Ask for a time out

Lie on the bean bags

Watch TV

Have a drink of water

Do some yoga

Talk to someone

Draw a picture
