Open, close or share a file.

Save your work.

Display board

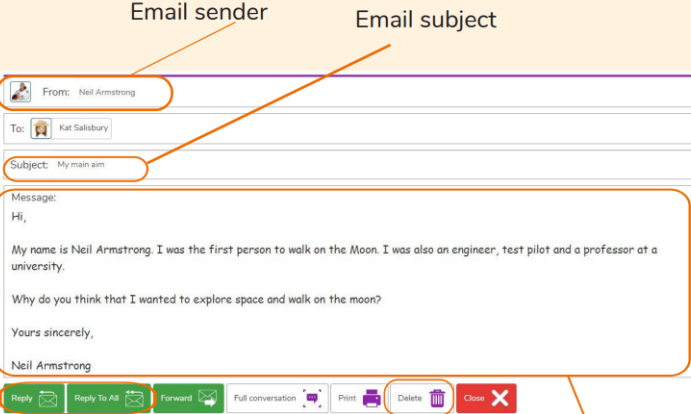

Key Learning

- To know how to refine searches using a search tool
- To use digital technology to share work on Purple Mash
- To have some knowledge and understanding about sharing globally on the internet
- To open and send emails, considering how we should talk to others in an online situation
- To understand that information put online leaves a digital footprint or trail
- To identify steps that we can take to keep personal data and hardware secure

Are you a Milecastle Megamind?

Why is a search bar useful?

What is a digital footprint?
