Key Learning	
We live in the city of Newcastle, in the county of Tyne and Wear, in the country England which is in the United Kingdom which is in the continent of Europe.	
We live on the North East coast of England.	
Physical features at the coast include the beach, the sea, cliffs and caves. Human features at the coast include a pier, lighthouse, causeway and promenade	
Physical features in our local area include the river and hills. Human features in our local area include houses, roads, shops, churches, airport and fire station.	
A key on a map can help me understand what different mapping symbols represent.	

Are you a Milecastle Megamind?

Can you say which city, county, country and continent you live in?

Can you describe some of the advantages and challenges of living on an island?

Can you describe some features of your environment compared to those at the coast?
