

## Key Vocabulary

Appropriate	When using online services such as blogging or sharing information. It's important that users behave appropriately. Users should be truthful, respectful, kind, seek any permissions and report anything they feel uncomfortable with.
Blog	A regularly updated website or web page, typically one run by an individual or small group, that is written in an informal or conversational style.
Password	A secret word, phrase or combination of letters, numbers and symbols that must be used to gain admission to a site or application such as a website.
Personal Information	This is information that is personal to someone. For example, their favourite food, their name and age.
Reputable source	Reputable sources are known places or sites that have accurate information. For example, well known news sites or encyclopaedias.
Spoof	An imitation of something that appears to look genuine.
Vlog	A personal website or social media account where a person regularly posts short videos.
Reputable source	Reputable sources are known places or sites that have accurate information. For example, well known news sites or encyclopaedias.
Permission	When someone shares or accesses content online, it's important that permission is given if it belongs to someone else or has information about them
Verify	When seeking content online, it is important that a user verifies the information. They can do this by checking other sources and looking for signs that may indicate inaccuracy in the information.

The image shows three screenshots related to online safety. On the left is a '2Connect screen with nodes added', which is a mind map centered on a 'Character' icon. Nodes include 'behaviour' (with sub-nodes 'Takes things slow' and 'Quiet'), 'appearance' (with 'Purple Hair' and 'Classes'), 'likes' (with 'Spiders' and 'Noisy'), 'likes' (with 'Gaming' and 'Cats'), 'secret' (with 'Has 5 cats at home'), and 'nos' (with a trash can icon). On the right is a '2Blog header' for 'History fascinations' with the tagline 'Everything we've heard about history'. Below these is a 'Username and Password screen' with a text input field containing 'lillian@2simple.com', a password field with seven dots, and a purple 'Log in' button.
